

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
ACCT3009	Complex Corporate Issues	Monday 30/10/2023	1:00pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
CSEN3000	Civil Engineering Project and Cost Management	Monday 30/10/2023	1:00pm	120	10		This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
PEEN3006	Drilling Engineering and Fluids Laboratory	Monday 30/10/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
ENST3003	<i>Environmental Law & Regulation</i>	<i>Monday 30/10/2023</i>	<i>1:00pm</i>	<i>120</i>	<i>10</i>		<i>This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam</i>
ELEN2001	Electromagnetic and Electromechanical Energy Conversion	Monday 30/10/2023	1:00pm	150	10	PA2-101	This is a RESTRICTED BOOK examination Students may write notes on the coloured paper provided during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A scientific calculator is permitted in this exam
ELEN3001	Power System Analysis	Monday 30/10/2023	1:00pm	150	10		This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A scientific calculator is permitted in this exam
MCEN3006	Linear Systems and Control	Monday 30/10/2023	5:30pm	120	10	PA2-101	This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam Non programmable/scientific calculators
MCEN1000	Engineering Mechanics	Monday 30/10/2023	5:30pm	150	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A scientific calculator is permitted in this exam

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
STEN4005	Advanced Concrete Design and Construction	Tuesday 31/10/2023	8:30am	120	10	LT201	This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
GEOL3001	Tectonics and the Dynamic Earth	Tuesday 31/10/2023	8:30am	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam No calculators are permitted in this exam
CHEN3011	Petroleum Field and Refinery Processing	Tuesday 31/10/2023	8:30am	120	10		This is a CLOSED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
FNCE3004	International Finance	Tuesday 31/10/2023	1:00pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes on the coloured paper provided and highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
MCEN2002	Fundamentals of Mechanical Design	Tuesday 31/10/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
MCEN3001	Machine Design	Tuesday 31/10/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
STEN2006	Structural Analysis of Indeterminate Structures	Tuesday 31/10/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
COMP1005	Fundamentals of Programming	Tuesday 31/10/2023	1:00pm	120	10	PA2-101	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam No calculators are permitted in this exam
ENEN4008	Env Considerations in Const	Tuesday 31/10/2023	1:00pm	120	10		<i>This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam No calculators are permitted in this exam Students need to bring the 'Guideline for Erosion and Sediment Control in Malaysia'</i>

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
FNCE2000	Introduction to Finance Principles	Tuesday 31/10/2023	5:30pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam Financial/scientific calculators
ELEN3004	Renewable Energy Principles	Tuesday 31/10/2023	5:30pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
COMP1007	Programming Design and Implementation	Tuesday 31/10/2023	5:30pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam No calculators are permitted in this exam
MGMT3010	Strategic Management	Tuesday 31/10/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam No calculators are permitted in this exam
ENEN2000	Engineering Sustainable Development	Wednesday 01/11/2023	1:00pm	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
MCEN4008	Finite Element Analysis	Wednesday 01/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
CMPE2002	Requirements Engineering	Wednesday 01/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
PEEN3002	Petroleum Production Technology	Wednesday 01/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
ENST3006	<i>Environmental Monitor Analysis</i>	Wednesday 01/11/2023	1:00pm	120	10		<i>This is a CLOSED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam</i>

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
PRRE1003	Resources, Processes and Materials Engineering	Wednesday 01/11/2023	5:30pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
ISYS2013	Project Management	Wednesday 01/11/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A financial calculator is permitted in this exam
ACCT2002	Cost Analysis for Decision Making	Thursday 02/11/2023	8:30am	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
COMP1006	Foundations of Computer Science	Thursday 02/11/2023	8:30am	120	10		This is a RESTRICTED BOOK examination Students may only highlight text during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A scientific calculator is permitted in this exam
ENST1000	Global Environmental Challenges	Thursday 02/11/2023	8:30am	120	10		This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam No calculators are permitted in this exam
MCEN2001	Fundamentals of Thermodynamics	Thursday 02/11/2023	1:00pm	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
GEOT3003	Geotechnical Engineering for Foundations	Thursday 02/11/2023	1:00pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
PEEN3000	Formation Evaluation	Thursday 02/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
CHEN3001	Transport Phenomena	Thursday 02/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
ETEN2001	Electronic Fundamentals	Thursday 02/11/2023	1:00pm	180	10	LTCL6	This is a RESTRICTED BOOK examination Students may write notes on the coloured paper provided and highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
MATH1020	Calculus for Engineers	Thursday 02/11/2023	5:30pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam Non programmable/scientific calculators
COMT3000	Communications Engineering	Thursday 02/11/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
PEEN3008-1	Advanced Reservoir Engineering	Thursday 02/11/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
FNCE2003	Business Analysis for Investment	Friday 03/11/2023	5:30pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may only highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
ACCT2000	Business Processes and Internal Controls	Friday 03/11/2023	5:30pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam Non programmable/scientific calculators
MCEN4001	Industrial Fluid Mechanics	Friday 03/11/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
CVEN3002	Hydraulics and Hydrology	Friday 03/11/2023	5:30pm	120	10	PA3-105	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
COMP1000	Unix and C Programming	Friday 03/11/2023	5:30pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam No calculators are permitted in this exam
CHEN2001	Chemical Engineering Thermodynamics	Monday 06/11/2023	8:30am	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
ENEN3005	Water Res and Public Health	Monday 06/11/2023	8:30am	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
CNCO2000	Computer Communications	Monday 06/11/2023	1:00pm	90	10	LTCL9	This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam No calculators are permitted in this exam
ACCT2013	Accounting - The Fundamentals of Business	Monday 06/11/2023	1:00pm	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
STEN2004	Structural Mechanics	Monday 06/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
PEEN1000	Introduction to Petroleum Engineering	Monday 06/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
ENEN4004	<i>Geoenvironmental Engineering</i>	<i>Monday 06/11/2023</i>	<i>1:00pm</i>	<i>120</i>	<i>10</i>		This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
BLAW2000	Law for Engineers	Monday 06/11/2023	1:00pm	150	10	LTCL6	This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam No calculators are permitted in this exam
ACCT3000	Auditing, Assurance and Risk Assessment	Monday 06/11/2023	5:30pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
MKTG3004	Corporate Marketing Strategy	Monday 06/11/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam No calculators are permitted in this exam

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
MCEN4009	Engineering Noise Control	Tuesday 07/11/2023	8:30am	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
CHEM1002	Reactivity and Function in Chemistry	Tuesday 07/11/2023	8:30am	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
MCEN3002	Applied Fluid Mechanics	Tuesday 07/11/2023	1:00pm	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam Non programmable/scientific calculators
TREN4002	Traffic and Road Pavement Engineering	Tuesday 07/11/2023	1:00pm	120	10		This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
ETEN2000	Signals and Systems	Tuesday 07/11/2023	1:00pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
ELEN3000	Electrical Machines and Stability	Tuesday 07/11/2023	1:00pm	120	10		This is a RESTRICTED BOOK examination Students may write notes in the margins of the exam paper during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
INVE3001	Portfolio Management	Tuesday 07/11/2023	5:30pm	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in margins of the exam paper and highlight text during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
GEOT2000	Principles of Geomechanics	Tuesday 07/11/2023	5:30pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam

Undergraduate & Postgraduate FINAL EXAMINATION (Face to Face) Timetable Semester 2, 2023

Exam Code	Exam Title	Date	Time	Duration	Reading Time	Venue	Conditions
ELEN1002	Sustainability and Renewable Energy	Wednesday 08/11/2023	8:30am	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
PSYC1000	Introduction to Psychology	Wednesday 08/11/2023	1:00pm	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam No calculators are permitted in this exam
CHEN2003	Process Mass Transfer	Wednesday 08/11/2023	1:00pm	120	10		This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
ELEN2004	Electrical Plant	Wednesday 08/11/2023	1:00pm	150	10	LTCL9	This is a RESTRICTED BOOK examination Students may write notes on the coloured paper provided during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A scientific calculator is permitted in this exam
STEN3005	Reinforced Concrete Design	Wednesday 08/11/2023	1:00pm	180	10	LTCL6	This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
FNCE3001	Introduction to Financial Instruments and Markets	Wednesday 08/11/2023	5:30pm	120	10	LT201	This is a RESTRICTED BOOK examination Students may write notes on the coloured paper provided and highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
INVE3000	Introduction to Derivative Securities	Wednesday 08/11/2023	5:30pm	120	10		This is a RESTRICTED BOOK examination Students may write notes on the coloured paper provided and highlight text during reading time Students permitted notes will be handed in with the exam paper at the end of the exam A non-programmable calculator is permitted in this exam
CHEN2000	Process Principles	Thursday 09/11/2023	8:30am	120	10	LT201	This is a CLOSED BOOK examination Students may write notes in the margins of the exam paper during reading time No notes are permitted for the exam A non-programmable calculator is permitted in this exam
ENEN3000	Aerial Emissions and Abatement	Thursday 09/11/2023	8:30am	120	10		<i>This is a CLOSED BOOK examination</i> <i>Students may write notes in the margins of the exam paper during reading time</i> <i>No notes are permitted for the exam</i> <i>A non-programmable calculator is permitted in this exam</i>
WSEN2000	Water Quality and Resources Engineering	Thursday 09/11/2023	1:00pm	120	10	LT201	This is an OPEN BOOK examination Students may write notes in the margins of the exam paper during reading time Students notes permitted for the exam do not need to be handed in at the end of the exam A non-programmable calculator is permitted in this exam
